

BRBKA WhatsApp Guidelines

We appreciate that as a busy association we need to share various pieces of information and news within the membership. With this in mind we have decided to set up a dedicated *Brecon Bees (and associated sub groups)* WhatsApp group.

All members of the association are welcome to join the group, and we encourage you to join to receive the latest updates on the association and ease the ability to share information, advice and association arrangements.

Our members secretary will be responsible for the group as group admin and with your consent he will add your phone number to the group. Please be aware that the number you provide below will be visible and available to the rest of the group. You can opt to leave the group at any time and if you leave the association your number will be removed from the group.

WhatsApp Etiquette

Here are some tips to ensure everyone gets the most out of *Brecon Bees* WhatsApp group:

- Remember to be considerate and respectful to others
- Please be polite and observe the same level of courtesy as you would do if you were speaking to someone face to face
- Please refrain from commenting or sharing content (including videos or pictures) that could be interpreted as inappropriate, demeaning or inflammatory
- Please only discuss beekeeping related or association matters on the group and use alternative groups or chats for personal discussions
- Please do not share confidential information about the association or individuals on the group
- Understand that the discussions will be moderated by the group admin and any inappropriate activity may lead to further investigation and potential removal from the group

If you have any queries or concerns about the group or its content, please discuss this with Martin Burke.

If you are an association member and wish to join the What's App group, please contact the membership secretary - Martin Burke (details on home page) by wishing to join the group, you are consenting to your telephone number being added to the *Brecon Bees* WhatsApp group.
